

END BUSY YEAR AT ASSOCIATION

Board of Directors of Y. M. C. A. Chosen at Annual Membership Meeting.

FINE SHOWING IS MADE

Work of Local Institution Has Never Been on More Satisfactory Basis.

Members of the board of directors of the Rock Island Y. M. C. A. were elected last evening at 7:30. Those elected were K. T. Anderson, F. W. Gray, N. G. Griffiths, C. L. Swanson and C. B. Taylor. They will serve for three years.

Next Monday evening the first meeting of the board of directors will be held at which time officers will be installed.

Of special interest was the annual report of O. J. Strain, general secretary of the association.

The cafeteria this past year has enjoyed a patronage never before experienced. The number of meals served this past year totaled 117,322 as compared to 82,940 the previous year. The total receipts of the cafeteria this past year were \$30,725 as compared to \$18,777.19 the previous year. This increased patronage this past year has enabled this department of the association's activities to come to a self-sustaining basis, the net gain for the cafeteria this year being \$790.11.

The membership records show quite a decrease in the number of members this year over last year, due largely to two contributing factors. First, the war, as the association's service flag has 150 stars to its credit. Second, to the fact that no membership campaign was conducted last year as formerly, due to the fact that the board realized the necessity of inaugurating a finance campaign during the year, and did not deem it advisable to have two association campaigns during the year.

The finance campaign of \$45,000 to \$50,000 was to provide means to pay off the association's indebtedness, provide for the completion of the fourth floor dormitories, install a suitable equipment in the way of shower baths, the heating system, the installation of four bowling alleys, the remodeling of the boys' department, to give better accommodations especially for the older boys of the membership, and other necessary changes and improvements that are pressing.

It is estimated that at least one thousand different soldiers have attended the functions throughout the year; 3,650 have enjoyed the shower baths and swimming pool; 4,000 letters were written by them in the reading room on triangle paper furnished them by the association, while they have made fine use of the newspapers and magazines which were ever at their disposal. Hundreds of billiard and pool games have been played by them on our tables, without charge. Fully ten thousand or more of them have been accommodated in one way or another throughout the year.

Help War Chest.

This campaign was not conducted as planned, due to the fact that it was deemed advisable by the Chamber of Commerce to promote a drive campaign as a city-wide movement, including local and war charities, and in the interests of this broader movement, the association gracefully withdrew its plans and merged its efforts with the Chamber of Commerce and the city general fund.

This Patriots' fund provides \$30,000 dollars for the association for this current year, \$10,000 to be appropriated to the Y. M. C. A. war fund, \$12,500 for the completion of the fourth floor dormitory, and \$7,500 for current expenses. Financially therefore, we are opening this year's work with much better prospects than last year and it is our earnest hope that this is but the beginning of a better and more prosperous period for the association.

"On the other hand, these additional dormitories will add considerable additional revenue to the association, with very little extra expense, thus enabling the association to cut the annual deficit which it has sustained yearly for the past five years.

The boys' department this year, from the standpoint of membership has been abnormally low. Just why, has been a problem which has not been entirely solved as yet, partly due, no doubt, to the fact that the department was without a head for practically six months last summer. However, some splendid work has been done in this department with the 200 boys who have been enrolled there. The foundation is now laid for an enlarged work this coming year.

Added interest is beginning to mount upward, and no fears are entertained but that a large increase will result throughout the coming summer and fall.

In addition to the work done with the boys in the membership a large amount of work has been done with various groups of boys outside the membership, so that the association has touched the lives of hundreds of boys in our city this past year.

Physical Department.

The physical department the past year has been very much alive. Regular class work, hikes, contests, swimming stunts, tournaments, basketball games, volleyball games, etc., too numerous to mention, have kept the department in full swing, and the department at the present time is in a splendid condition of organization.

The annual records show that 125 different men and boys have been enrolled in regular class work. One thousand three hundred twenty-three different classes have been conducted during the year, with a total attendance of 20,924 in the various classes. One hundred

ARTHUR BARNES SENT TO PRISON

Negro Who Enters Plea of Guilty to Burglary Charge Goes to Jail.

Arthur Barnes, negro, was sentenced to the penitentiary yesterday in the circuit court by Judge W. T. Church after he had pleaded guilty to a charge of burglary.

Sufficient evidence was found to show that he had entered the residence of Carl Stenson in Moline on March 2 and stole property valued at \$80. Another charge was also made against him. He was allowed to have entered the residence of Henry Schirbeck, also in Moline, on March 25 and taken property valued at \$30.

Six defendants were released by State's Attorney Floyd E. Thompson yesterday after having served jail sentences. Those released were:

Clyde Small, indicted for burglary.

Mackey Mabley, indicted for burglary.

Dave Coonan, indicted for robbery.

Will Davis, held for larceny and receiving stolen property.

Joe Jackson, indicted for robbery.

Thomas W. Beach, assault with deadly weapon.

Story Not Substantiated.

Will Davis was charged with receiving stolen property. William White, who was sentenced to jail, testified that he had given a part of the money he had taken to Davis. The state had no evidence to substantiate this and accordingly released Davis.
